A Little About Us...

Hero House opened in 1975 in a shoebox and on a shoestring. From day one, our mission has been clear: to make GREAT food with the best ingredients we can find, and offer it at the most affordable prices possible. Throughout the years, that mission has become our passion. With that passion in our back pocket, we are driven to delight you and all your senses... so that you can taste, see, smell, hear, and feel our

dedication and love for BIG flavors! We work vigorously to fuel our patrons' appetites and treat them like our own family. At the end of the day, it makes us feel like heroes when we get to share the smiles and see the enjoyment we've worked so hard to create, and we thank you for every opportunity to serve you. It is our hope that you enjoy your experience at Hero House and that you leave feeling a like a hero too!

**We sincerely appreciate the
opportunity to serve you.**
